

Dear Miss Gigi, Miss Sarah, Miss Sonia & Miss Maggie,

My husband and I are so grateful that Abigail is enjoying her pre-school at BABY BRAIN. She always come home with laughter, doing the dance steps she learnt during class, singing songs you teach her to sing. And we know we have to thank you for that. The activities you plan, the room you decorate, the friendships you help foster - they are all incredible! All these are helping Abigail to believe that school is FUN 😊 which is incredibly important for our little pre-schooler.

We thank you again for all the wonderful work you all have done & wish you all the best for the future development of your school.

With all the Best Wishes,
The Yip Family.
on behalf of our beloved
daughter - Abigail 😊
